Effective Immediately:

With the rise of Covid-19 positive cases within the State and County, Internal precautions are being initiated

Any Tribal Employee who is working directly with the public will be mandated to wear a protective Mask. If your department or program does not have an adequate mask, contact Property and Supply and/or the Chairman's office and proper PPE will be provided.

Any person who enters into any Tribal facility will be required to wear a mask upon entering. If that person does not have a mask, one will be provided for them upon entering. If they refuse, they will unfortunately not be permitted to enter.

Resolutions detailing procedures and consequences will follow as soon as possible.

Sincerely,

Jamie Azure, Tribal Chairman
Turtle Mountain Band of Chippewa
