Turtle Mountain Miikanaake Fatherhood Program will continue to serve fathers during a Public Health Crisis through Virtual visiting rather than at office lessons.

- Coaches will do virtual visits from the office or home with families who have internet capabilities
- If fathers do not have internet capabilities and prefer phone contacts, lessons by phone call will be done.
- Coaches will reach out to clients to set up times for lessons and means of conducting lessons, Facebook Messenger, Zoom, Microsoft Team, FaceTime, land phone, etc.
- We are limiting office visitors/public due to the health safety of the staff and public, front door will be locked.
- At this time, we do not have any supplies to be handed out, we will give a public notice if we do get supplies.
- If you would like to sign up for the program you can call our Belcourt office at 701-477-6801, our Dunseith Office at 701-244-2196 or check out our Facebook page.

Sincerely,

Dr. Daniel Henry
