Sherry Baker Co-Director 701-477-2663

TERO Office will continue to serve contractors, vendors and people looking for work in the construction field.

- We are limiting office visits/public due to the health safety of staff and public.
- We will continue taking names and numbers, over the phone of people looking forward to the construction season this spring.
- We encourage all contractors to contact the TERO Office and set up a date and time for one on one meetings.
- Before ANY construction work commences in Belcourt, TERO needs to be informed.
