A Safety Protocol will be implemented effective immediately to address the safety and well-being of our Youth residents, the communities we serve, and our valued employees during the current Coronavirus (COVID-19) Health Crisis. Little Shell Home for Youth has made the following adjustments to our program during this Public Health Crisis. The program will support all Tribal Government regulations, Center for Disease Control recommendations and State and Federal Regulations. Our program will be monitoring this crisis very carefully and continue to review our current practices while adjusting programming course based upon needs of the Clients and staff.

Effective immediately,

- 1. Little Shell Home for Youth will be **closed** to on-site visiting and No walk-in admissions.**
- 2. Doors and windows shall be **locked** at all times,**
- 3. Families will not be allowed to visit but may have unlimited time on the phone or internet capabilities, ie: FACETIME, Internet networking. Arrangements must be made with the Director at 701-477-8611.**
- 4. Prior to any admission, client must be **SCREENED** for health, travel and other high risk indicators. No client shall be admitted with a fever.**
- 5. If a client is referred from a high risk area, admission will be deterred for two (2) weeks with documentation of no fever, cough, or shortness of breath and health issues during the 2 week period.**
- 6. Vendor access to front door only.**

Staff can be reached at 477-8610, 477-8611, 477-8612 or 278-3695. Please do not stop by UNANNOUNCED. Unauthorized people will NOT be allowed in the facility. Please use one of these numbers to contact staff. Calls will be answered 24 hours a day, seven days a week. We are committed to keeping our community safe with up to date as developments when the need arises. We appreciate your patience.
